

Gift Aid Declaration to the Neuroblastoma Society

Please treat *all donations I have made since 6 April 2000 and*** all donations I make hereafter to the Neuroblastoma Society as Gift Aid donations and reclaim tax on them. I note the tax position and will let the Society know if my future giving is not covered by the tax I pay. As a Gift Aid donor you need to be paying UK income tax or capital gains tax at least equal to the amount of tax reclaimed on your donations in each tax year (currently 28p for every £1 you give). Remember to let the Society know if your tax position changes.

Neuroblastoma is a rare and aggressive childhood cancer. About a hundred children in the UK are diagnosed each year. The Society works exclusively for these children in raising funds for British research into the disease, and offering information and support for anyone affected by neuroblastoma.
